### **Georgia Trane Opens Trane Parts Store in Duluth, Offering More Than 100 Different Parts and Supplies Product Lines and Light Commercial Unitary Equipment**

Duluth, Ga., August 17, 2006 – Trane is making heating, ventilation and air conditioning (HVAC) parts and equipment more accessible than ever for local service contractors and building owners by opening a new Trane Parts store in Duluth. Located at 2775 Premiere Parkway in Suite 360, the new facility will operate from 7 a.m. until 5 p.m., Monday through Friday.

The new Parts store will offer a full line of Trane and non-Trane commercial and residential parts, including more than 100 of the most recognized wholesale parts and supply lines in the industry. The Trane Parts store will also stock residential and Light Commercial Unitary Equipment.

“At Trane Parts Centers, we understand our customers need not only to have the right part at the right price, but to be able to buy it at the right place,” says Angela Collins, general manager of Trane Parts. “Our goal is to make ourselves easier to do business with by offering a broad range of HVAC parts, supplies and equipment where our customers need them.”

“We have a responsibility to serve our customers’ parts needs throughout Georgia,” said Dwight Bradley, district manager for Trane in Georgia. “And the opening of the Duluth Store is yet another step in fulfilling our promise to have the right parts conveniently available.”

In addition to visiting the Duluth Trane Parts store, customers can order parts over the phone for same day shipment. Emergency parts are also available 24 hours a day, 7 days a week by phone at 800-229-4178.

The opening of the Duluth Parts location brings the number of Trane Parts stores in Georgia to six, staffed by a team of dedicated parts sales specialists. The centers have been exceeding the needs of service contractors and building owners for more than 50 years, with locations in Atlanta, Augusta, Macon, Marietta and Savannah.
