# TRANE®

## TRANE SYSTEMS

[www.trane.com/commercial/equipment](http://www.trane.com/commercial/equipment)

Chillers

Air Handlers

Packaged Rooftops

Classroom Unit Ventilators

Terminal Units (FCU, VAV, ...)

Water Source Heat Pumps

Cooling Towers

Variable Frequency Drives

Custom Air Handlers

Tracer Summit is a versatile building automation system offering total "Integrated Comfort Systems" (ICS). Fully factory mounted, wired and engineered, allowing "Total System Responsibility" from one source. Tracer Summit fully supports BACnet and LonTalk.

**Proud to be associated with: AEE, ASHRAE, BOMA, LEED, MMBDC, USGBC**

## AIRSIDE STRATEGIC PARTNERS

Custom Commercial, Institutional, and Industrial Air Handlers.

Heating/Cooling/Ventilation Air Handlers specializing in Direct & Indirect Fired Gas Heat.  
[www.bousquet.ca](http://www.bousquet.ca)

Environmental control systems for natatoriums while optimizing energy.  
[www.poolpak.com](http://www.poolpak.com)

Vertical Classroom Unit Ventilators. Standard and custom high-rise fan coil systems.  
[www.temspec.com](http://www.temspec.com)

Air filtration products for a wide-range of applications.  
[www.aafintl.com](http://www.aafintl.com)

Custom energy recovery units for ventilation.  
[www.xetexinc.com](http://www.xetexinc.com)

Air rotation units for heating and ventilating in large open spaces.  
[www.johnson-marcraft.com](http://www.johnson-marcraft.com)

## WATERSIDE STRATEGIC PARTNERS

Thermal energy storage systems.  
[www.calmac.com](http://www.calmac.com)

Compact, water-cooled, modular chillers.  
[www.tandemchillers.com](http://www.tandemchillers.com)

Industrial chillers & closed circuit water cooling systems.  
[www.motivaircorp.com](http://www.motivaircorp.com)

Secure drinking water systems and process/medical applications.  
[www.filtrinemfg.com](http://www.filtrinemfg.com)

Complete modular boiler line.  
[www.thermalsolutions.com](http://www.thermalsolutions.com)

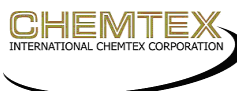

Custom engineered, factory tested fluid management systems and small (<2000) tons central plants.  
[www.systecon.com](http://www.systecon.com)

Leading provider of packaged, large (>2000 tons) central plants.  
[www.tas.com/cic](http://www.tas.com/cic)

Radiant panel ceiling systems.  
[www.air-tite.net](http://www.air-tite.net)

Specialty water treatment chemicals and services.  
[www.chemtexcorp.com](http://www.chemtexcorp.com)

## SPECIALTY SERVICES

**HVAC Software:** Trace 700, System Analyzer, Acoustics, Equipment Catalogs/Selection/CAD drawings

**Financial Services:** Life-cycle cost Analysis, Equipment/Project Leasing, Own/Operate Partnerships

**Trane Parts Centers – 5 Locations:** Ann Arbor (734-222-3600) Brighton (248-264-7039) Lincoln Park (313-357-0202) Livonia (734-367-0700) and Troy (248-577-0277) with 24 Hour Emergency Parts Service (248-640-8536)

**Training:** Local training for the HVAC industry and its customers. For Info Contact: Debra Ingles @ 248-596-3669

**Rental Services:** Chillers, Air Conditioning Units, Heating, Cooling Towers, Pump Packages, Power

**Water Treatment:** An array of Water Treatment Services & Products. For Info Contact: Mike McIntosh @ 248 596 3644
