Four Technicians Win Trane “2008 Outdoor Adventure” Grand Prize Adventure Trips *- - New promotions and prizes available in 2009! —*

Piscataway, N.J., Jan. 26, 2009 – Four of the industry’s finest service technicians have been named winners of Trane’s HVAC Parts & Supplies 2008 Outdoor Adventure Program’s grand prize – a year-end trip giveaway to one of four locations.

The winners are: Ryan Asselin of Industrial Building Services in Kingsport, Tenn.; Brad Gamroth of Bassett Mechanical in Madison, Wis.; Steve Kostas of Comfort Air, in Grand Junction, Colo.; and Kevin Roy of BG Mechanical Service in Springfield, Mass. Each winner selected one of four trips:

- Desolation Canyon Ranch & Raft trip on the Green River in Utah
- Teton Covered Wagon & Horse Adventure in Jackson Hole, Wyo.
- Deep Sea Shark Fishing Trip in Key West, Fla.
- Kayaking, Camping and Whale Watching Adventure at Point Adolphus, Ala.

More than 20,000 technicians and service contractors entered the drawing at participating Trane HVAC Parts & Supply stores for the chance to win one of the grand prize trips.

Trane’s “Outdoor Adventure” Program was a series of promotions designed for service technicians and contractors to experience an outdoor adventure and additional prizes. It offered service technicians and contractors weekly, monthly and quarterly incentives ranging from gift cards to a Weber grill and an “Outdoor Adventure” camping package. Those that visited a participating store were able to register to win the grand and quarterly end prizes.

To sign up for this year’s promotion, visit www.hvacsupply.com or any participating parts locations in your area.

Win the Grand Prize in '09

Trane HVAC Parts & Supplies begins its 2009 “Championship Season” program on Feb. 1, 2009 that will run through the end of November 2009. The Championship Season invites customers to team with Trane for successful seasons of savings in 2009.

Divided into three seasons, customers have an opportunity to “race for savings” from February – April, are given “home run” offers from May – August and can “catch” incredible deals from September – November. Each season offers customers new chances for incentives on seasonal parts, supplies and tools.

Outdoor Adventure – 2

The first season from February - April offers the choice of mechanics' gloves or a tool bag with a purchase of more than \$400. In April, each of the 191 participating locations will give away an Ingersoll Rand Cordless ¼ Impactool kit. Service technicians and contractors can register solely by visiting a local participating Trane HVAC Parts & Supply location to register for the no-purchase-necessary prize package.

In addition to seasonal offers, participants can register for the 2009 grand prize by signing up when making a purchase at a local participating store or at www.hvacsupply.com, where you can also find all contest rules and eligibility requirements.

The 2009 grand prize is a trip for two to "THE BIG GAME" in February 2010 in Miami. The trip includes: airfare, hotel, ground transportation and much more. In addition to the grand prize, four additional winners will be able to bring "THE BIG GAME" right into their living rooms with a 42" flat screen TV and stereo surround system.

Trane is also featuring weekly specials and monthly promotions on items including: tools, motors, IAQ supplies, thermostats and maintenance supplies to showcase the full line of wholesale products and supplies the locations stock.

Trane is the single-source provider for all of your heating, ventilation and air conditioning (HVAC) parts needs. We make our customers more productive and competitive because we have the right parts and the right advice in the right places at the right time. Each store carries a full-line of Trane OEM parts, controls and supplies, HVAC parts and supplies, and tools. Some brands include: Bacharach, Brute and Titan, Copeland, Fluke, General Electric, Kele Controls, Klein Tools and White Rogers.

#

Trane, a wholly owned subsidiary of Ingersoll Rand (NYSE: IR), provides systems and services that enhance the quality and comfort of air in homes and buildings around the world. Through its two premium brands – Trane and American Standard Heating & Air Conditioning – the business offers a broad range of energy-efficient heating, ventilation and air conditioning solutions. Its systems and services comprise dehumidifying and air cleaning products; aftermarket service and parts support; advanced building controls; and building and financing solutions, including those that allow energy-efficient systems to pay for themselves through energy savings. Trane's systems and services have leading positions in premium commercial, residential, institutional and industrial markets; a reputation for reliability, high quality and product innovation; and a powerful distribution network. The business has 35 plants in 10 countries and more than 29,000 employees worldwide. For more information, visit www.trane.com; www.americanstandardair.com; and www.ingersollrand.com.

Company Limited (NYSE: IR). The agreement is expected to be finalized in the second quarter of 2008.
