

“Thank you for the wonderful LEED prep class. I am happy to say that I passed my test today on my first try. Thanks again!”

Michael E. Aitken, P.E., Co-owner, Vice President and Professional Engineer, MEA Consulting Engineers, Inc.
Aurora, CO

“The tips you gave and the flashcards you provided were very useful. I would definitely recommend your course to anyone who is planning to take the exam.”

Steve Smyly, PE, General Manager, Tenant Mechanical
Fayetteville, GA

“Your job references lent a perspective to the material. I would recommend your presentation to anyone looking for an advantage in taking the LEED exam.”

Jerry Warner, Project Manager, GEM, Inc.
Walbridge, OH

“I would recommend that Dave teach this material to anyone who wants to learn and participate in their own success in the LEED program.”

Joe Kelly, General Manager, Edd Helms Group, Inc.
Miami, FL

“Your excellent flashcards and powerpoint will be helpful for those taking the test and also for those who want to refresh their LEED knowledge.”

Marcia Gabriel, Director of Hunzinger Construction University
Brookfield, WI

“Great training session. A number of our account managers said it was one of the best training sessions we have had as of late. Thanks for making LEED exciting!”

Michael R. Baird, Area Sales Manager
Trane Gulf South District
