

Commercial Equipment and Systems Sales

The San Diego Trane Sales Team is comprised of industry professionals who are knowledgeable in the selection and application of Trane products and services for your commercial/industrial comfort system needs.

We provide a wide range of sales solutions for engineers, contractors, building owners and facilities management personnel:

- Selection and pricing of new equipment and aftermarket products
- Emergency/temporary cooling
- EarthWise systems
- Preventative and full maintenance contracts
- Extended warranties
- IAQ, global warming, interoperability and energy-saving solutions
- Simple stand-alone controls, as well as more sophisticated building automation systems utilizing Trane ICS and industry-interoperable products
