

TRANE[®]

These companies offer exclusive products in partnership with Trane

**Air-to-Air Recovery Systems
Custom Air-Handling
Equipment**

**Acoustical Products &
Systems**

Ice Thermal Storage Systems

Packaged Pumping Systems

**Industrial & Commercial
Humidifiers**

**Active Desiccant
Dehumidification Systems**

**Electronic & Biometric
Access Control Systems**

**Total environmental control
for critical applications**

**Innovative IAQ Filtration
Systems**

**Manufacturer of custom air
handling units, roof top**

**Process, Medical and Laser
Liquid Chillers**

Trane Catalytic Air Cleaner

**Refrigeration Systems &
Controls**

**Make up air energy recovery
units**

**Variable Refrigerant Flow
Systems**

**Modular Packaged
Chillers**

Energy Recovery Ventilators

**Pool & Ice Rink
Dehumidification**

Packaged Central Plants

**Trane Variable Frequency
Drives**
