

Trane R-DTM: *Anti-corrosion and Antimicrobial coating for HVAC coil*

Product Number: 70-CHEM0011

Application: Onsite spray-coating

Colour: High gloss blue

Features: Environmental friendly - water based, non-flammable, non-toxic
Extremely effective adhesion on metal surface and easily air-dried
Re-applicable
Improves airflow and heat exchanger performance
Very thin deposited film (< 10 micron)
UV resistance, antimicrobial, and coil block prevention

Certificates: ASTM B117 Neutral Salt Spray Test (\leq 10,000 hrs.)
ASTM G85 Modified Salt Spray Test (\geq 3,000 hrs.)
ASTM G21-Antimicrobial & G22-Fungi resistance tests (PASS)
ASTM 5894 UV Resistance (PASS)

Size: Available in 5 litre-tin

Price: 22,000 THB
