The world  
is our building.  
We're all  
in it together.

At Trane, we believe making every building more efficient and more intelligent can help reduce the energy intensity of the world. One building and one relationship at a time, we're working to ensure the future of the most amazing building of all.

Trane – by Trane Technologies (NYSE: TT), a global climate innovator – creates comfortable, energy efficient indoor environments through a broad portfolio of heating, ventilating and air conditioning systems and controls, services, parts and supply. For more information, please visit [trane.com](http://trane.com) or [tranetechnologies.com](http://tranetechnologies.com).
