About the Conference

CFO Rising East: Finding Paths to Growth was developed to provide the chief financial officer with insight, ideas and solutions to meet the challenges of attaining growth in the current economic climate.

About the Speaker

Maria Blase is the president of the Latin America Region for the Climate Solutions sector of Ingersoll Rand. Climate Solutions is comprised of the industry-leading Thermo King and Trane brands. Blase is a general manager with diversified industry experience (transport, buildings, services, manufacturing, pharmaceuticals, mining), and a proven track record of impacting business growth in mature and emerging markets; maximizing profits and improving business operations, creating long-range strategic plans that identify profitable business opportunities, and developing talent at all levels of the organization.

Ingersoll Rand Family of Brands

CFOs Gain Ingersoll Rand Insights on Finance’s Role in Expansion Strategy at CFO Rising East Conference - 2

Prior to her role as general manager for one of the fastest growing regions of the world, Blase served as chief financial officer for the Climate Solutions sector of Ingersoll Rand. She worked closely with the sector’s executive leadership team to set the direction for finance, accounting and information systems, and created shared services environments.

Blase has additional specialties in the areas of business expansions and startups; accounting and financial operations, systems, organizational design; operating plan design and development; Lean and Six Sigma Tools; and cash management. Blase works extensively with the executive leadership team, treasury, tax and investor relations, and with human resources to champion the company’s diversity efforts and women’s network.

Blase is a certified public accountant, certified management accountant, and has a Master’s in Business Administration degree from Southern Illinois University in Edwardsville, Ill.
