

TRANE UNIVERSITY™

Package Programs

The Trane University™ Package Programs

are designed to give a discount on training costs for attending any corporate level training through the purchase of credits. Packages can be purchased through the Trane Education Center or by calling Trane University toll free at 1-855-803-3563.

These packages discount course tuition 25-40%.

Training credits can be used to purchase any factory level course in Building Systems and Controls and Technical Service Training, subject to their enrollment policy. They can be used by one or multiple employees; they are not tied to a single individual.

Each credit is equivalent to one dollar.

How do I purchase and use a package?

1. Determine the package that will best benefit you or your company.
2. Create a profile in [Trane Education Center \(TEC\)](#) if you don't already have one, **AND** create a profile for each employee you want to enroll in a course.
3. Login and search the TEC online catalog for the appropriate package program (Search for "Gold" or "Platinum"), select *Add to Cart* and proceed to checkout for payment.
4. We will receive notification that you have purchased a package and will contact you within 24 hours to activate the program and give you the Package Code. The credits will then be available to apply.
5. Login and search the TEC online catalog for the course(s) you want to send your employee(s) to. Add the courses to your cart and proceed to *Checkout (uncheck Enroll Self if you are not attending)*. Select "Training Credits" as your payment method and put in the Package Code we gave you; click *Apply*. You will use the same Package Code each time you want to apply credits to a course enrollment. After you have completed checkout, Click on *My Orders* to select the course(s) to apply the individual(s) to. You do not need to apply all credits at the time of purchase.

We will track the credits your company has used, as well as, send periodic updates and reminders of your remaining credits.
