

# HVAC Systems and Energy Services

Easier, simpler and quicker with group purchasing

Becoming a member of Kinetic GPO enables Broader Public Sector entities to drive efficiency, effectiveness and real savings with world-class government procurement resources and solutions. The entire portfolio of Trane equipment and services is available to members of Kinetic GPO under Canadian Free Trade Agreements (CFTA) compliant contracting terms that save time and money.

Kinetic GPO gives you greater purchasing power to unleash the potential of your buildings with Trane solutions. Trane is an industry leader in energy efficient, connected indoor comfort systems, providing full lifecycle support through a world-class services organization. Our mission is to collaborate with organizations to reduce the energy intensity of the world. Through innovative technology and unsurpassed expertise in buildings, we're helping organizations achieve real and enduring sustainability results.

## Trane® Energy Services

Trane can help you manage both energy supply and demand. Our extensive portfolio of energy services can help you navigate energy purchasing strategies, energy sourcing, storage and consumption. We're experts in a wide range of distributed energy resources using renewable energy (cogeneration, photovoltaic, biomass, biogas and wind power) to lower operating costs, reduce environmental impact and gain energy independence and resiliency. Trane is an Energy Services Company (ESCO) accredited by NAESCO and certified through the Canadian Federal Buildings Initiative.

## Kinetic GPO: Fair, Open and Transparent

Group purchasing can put your best building within reach. Contracts are competitively solicited and awarded based on BEST VALUE. We utilize the best practices and procedures to ensure competitive, easy-to-use contracts across a broad range of categories. Kinetic GPO contracts save public procurement officials time and money while providing maximum value. All contracts offered through Kinetic GPO comply with Canadian trade agreements, the Canadian Free Trade Agreement (CFTA), as well as the Broader Public Sector (BPS) Procurement Directive.

### Who can participate?

All Broader Public Sector and MASH entities are eligible to use Kinetic GPO contracts, including:

- Municipalities, Cities, Towns, Villages
