

Here is information for VRF certification training:

Location: Orlando Training Center
8018 Sunport Drive, Suite 209
Orlando, FL

CITY MULTI Installation, Startup, and Service Essentials is now a hybrid model of learning!

STEP 1: Complete **CITY MULTI Installation Essentials**, now a set of 4 online modules that are required to be completed prior to enrolling for **CITY MULTI Startup and Service Essentials**, the 2 day in-person portion of the course.

1. Use a laptop or desktop with Google Chrome as your browser
 2. **Login** or **Create an Account:** <https://meushvac.force.com/Contractor/s/> 3.
- Click on **Learning > Find Learning**
4. Select the **Catalog: Commercial VRF**
 5. In Learning Plans, click on **CITY MULTI Installation Essentials**
 6. Click **Register** and **Launch**

STEP 2: Register for **CITY MULTI Startup and Service Essentials**.

1. Click on **Learning > Find Learning**
2. Select the **Catalog: Commercial VRF**
3. In **Learning Activities:** Click **CITY MULTI Startup and Service Essentials (Course)**.
4. Select the location and date and **Add To Cart**.
5. Go to **Shopping Cart** to complete the enrollment and to provide payment

**** If you have problems registering please call Mitsubishi Training dept. 1-678-730-1710****

Thank you,
Giovanni Meschino
