

# West Texas Line Card

Products & Systems Solutions

## Affiliated Products

### Advance Industrial Mechanical

Air source boiler, modular chillers, active heat recovery, data center units and wall-mounted AC units

### Armstrong

Humidifiers

### BRD

Noise and vibration control products

### Energy Labs Inc.

Custom air handling units, rooftop packaged units, custom coils

### Hays

Automatic flow control valves

### Heat Pipe Technologies

Energy recovery and passive dehumidification

### Innovent

Automatic flow control valves

### KCC Companies

MSP packaged and split heat exchanger based dehumidification, curbs and adapters

### MJC

Custom HVAC units, HVAC coatings, HVAC modifications

### MultiAqua

Air-cooled water chillers, ductless split systems for commercial and residential air conditioning and heating needs

### Napps

Water-cooled chillers

### Oilon

High temperature industrial heat pumps

### RenewAire

Fixed-plate energy recovery units

### Semco

Acoustical and air quality control products designed for improving indoor environments

### Temspec

Vertical stack fan coils and unit ventilators

### Thybar

Custom roof curb manufacturer, including roof curbs, insulated roof curbs and vibration isolation curbs

### Tower Tech

High efficiency, modular cooling towers (rental applications and permanent installations)

### Valent

High-percentage outdoor air packaged rooftop ventilation systems
