New Mexico Line Card

Products & Systems Solutions

Affiliated Products

Advance Industrial Mechanical

Air source boiler, modular chillers, active heat recovery, data center units and wall-mounted AC units

Armstrong

Humidifiers

BRD

Noise and vibration control products

Energy Labs Inc.

Custom air handling units, rooftop packaged units, custom coils

Hays

Automatic flow control valves

Heat Pipe Technologies

Energy recovery and passive dehumidification

Innovent

Automatic flow control valves

KCC Companies

MSP packaged and split heat exchanger based dehumidification, curbs and adapters

MJC

Custom HVAC units, HVAC coatings, HVAC modifications

MultiAqua

Air-cooled water chillers, ductless split systems for commercial and residential air conditioning and heating needs

Nanns

Water-cooled chillers

Oilon

High temperature industrial heat pumps

PoolPak

Pool room, natatorium units

RenewAire

Fixed-plate energy recovery units

Temspe

Vertical stack fan coils and unit ventilators

Thybai

Custom roof curb manufacturer including roof curbs, insulated roof curbs and vibration isolation curbs

Tower Tech

High efficiency, modular cooling towers (rental applications and permanent installations)

Valen

High-percentage outdoor air packaged rooftop ventilation systems
