

Trane Thermostats
Set yourself up for comfort.

It's Hard To Stop A Trane.®

Every home deserves the precise, even comfort of Trane.

Maximize your comfort and energy efficiency with Trane programmable thermostats.

Trane's hardworking, full-featured, programmable thermostats combine innovative design and simplicity of use with legendary Trane reliability.

You can select the thermostat that suits your lifestyle and set exactly the degree of comfort and the level of efficiency you desire.

XL900 Series Touchscreen Thermostat for Communicating Systems

Trane's highly advanced XL900 thermostat offers complete control for Trane non-variable speed communicating systems. It is simple to program and easy to read in any light, and the XL900 features a complete 7-day schedule,

with the ability to automatically switch between heating and cooling as needed. For greater convenience, it features a real-time clock, filter reminders and system diagnostic capabilities.

XL800 Series Touchscreen Thermostat

The XL800 Series thermostats offer many of the same touchscreen features as the XL900 for virtually all conventional 24 volt systems.

The unit may also be removed from the wall, allowing you to adjust the temperature from the comfort of your sofa or favorite chair.

XL600 Series Programmable Thermostat

The XL600 series features a 5-day/2-day programmable schedule that is simple to program and accommodates separate

schedules for weekdays and weekends, custom-tuning your comfort to your lifestyle.

Controlling your environment is easy with Trane One-touch Thermostats.

XR400/XB200 Series Thermostats

Trane's durable, hardworking thermostats provide large, easy-to-read numbers that give you direct control over your comfort. A slide-out compartment holds your dealer's contact information for convenience and quick access.

*Registered Limited Warranty terms are available when you register within 60 days of installation. You can register online at Trane.com or by phone at 800-554-6413, otherwise Trane's Base Limited Warranty terms will apply. Base Limited Warranty information on specific products can be found on Trane.com. Ask your dealer for full warranty information at time of purchase. Warranties are for residential use only, some exclusions may apply.

As part of our continuous product improvement, Trane reserves the right to change specifications and design without notice. Read important energy cost and efficiency information available from your dealer.

Independent Trane Dealers value reliability as much as you do.

Your independent Trane Dealer knows his or her reputation is made at every sale, and with every installation. Therefore, they are as personally invested in your comfort as you are, and take great pride in creating your perfect indoor environment.

Trane dealers are some of the most highly trained in the business, with advanced technical skills to optimize every installation and solve any issue.

They have an extensive understanding of the movement and conditioning of air, and

the expertise to create a perfectly balanced, ultra-efficient system for every home. Trane dealers believe in doing the job right, every time. Otherwise, they wouldn't be Trane dealers.

The products they sell provide peace of mind as well, with robust, no-nonsense warranties. Additional warranty details are available from your dealer. So relax and get comfortable. You have a Trane.

Looking for an internet-enabled thermostat?

Trane offers a full line of internet-enabled Connected Controls that enable you to see and set your home's climate from almost any web-enabled device. Nexia™ Remote Climate Access is included with every Trane ComfortLink™ II XL950, ComfortLink™ II XL850, XL824 and XL624 Control. And that means there is one for every home, starting with yours. For more information ask your independent Trane Dealer about Trane Connected Controls and Nexia.

Ingersoll Rand (NYSE:IR) advances the quality of life by creating comfortable, sustainable and efficient environments.
