# Every home deserves the precise, even comfort of Trane.

## Maximize your comfort and energy efficiency with Trane programmable thermostats.

Trane's hardworking, full-featured, programmable thermostats combine innovative design and simplicity of use with legendary Trane reliability. You can select the thermostat that suits your lifestyle and set exactly the degree of comfort and the level of efficiency you desire.

### PROGRAMMABLE THERMOSTATS

*XR300 series touchscreen thermostats offer complete control for Trane's traditional systems. It is simple to program and easy to read in any light and features a 7-day or 5-1-1 programmable schedule, with the ability to automatically switch between heating and cooling as needed. For greater convenience, it features a real-time clock, filter, humidifier pad, and UV lamp service reminders.*

*XR200 series programmable thermostats feature a 5-day or 5-1-1 programmable schedule that is simple to program and accommodate separate schedules for weekdays and weekends, custom-tuning your comfort and system energy use to your lifestyle.*

### XR400/XB200 series Non-Programmable Thermostats

*Trane's durable, hardworking thermostats provide large, easy-to-read numbers that give you direct control over your comfort. A slide-out compartment holds your dealer's contact information for convenience and quick access.*

The Trane XR400, XR300, XR200 Series thermostats have a 5 year registered limited warranty on functional parts.

Registered Limited Warranty terms are available when you register within 60 days of installation. You can register online at [Trane.com](http://Trane.com) or by phone at 800-554-6413, otherwise Trane's Base Limited Warranty terms will apply. Base Limited Warranty information on specific products can be found on [Trane.com](http://Trane.com). Ask your dealer for full warranty information at time of purchase. Warranties are for residential and multi-family use only, some exclusions may apply.

As part of our continuous product improvement, Trane reserves the right to change specifications and design without notice. Read important energy cost and efficiency information available from your dealer.

# Looking for an internet-enabled thermostat?

Trane offers a full line of internet-enabled Connected Controls that allow you to see and set your home's climate from almost any web-enabled device. Nexia™ Remote Climate Access is included with Trane ComfortLink™ II XL1050, Comfortlink™ II XL850, Trane XL824 and Trane XL624 Control. Now, you can connect with your home and family, even when you're away. For more information ask your local independent Trane Dealer about Connected Controls and Nexia.

Ingersoll Rand (NYSE:IR) advances the quality of life by creating comfortable, sustainable and efficient environments. Our people and our family of brands—including Club Car®, Ingersoll Rand®, Thermo King® and Trane®—work together to enhance the quality and comfort of air in homes and buildings; transport and protect food and perishables; and increase industrial productivity and efficiency. We are a \$14 billion global business committed to a world of sustainable progress and enduring results.
